Start Donating Plasma

How to donate plasma for the first time

See If You Qualify to Donate Plasma

Be in good health

Be at least 18 years old

Weigh at least 110 pounds

Valid ID and permanent address

No tattoos or piercings within the last four months

Before, During, and After Plasma Donation

Here's what you can expect when you donate at CSL Plasma.

Before

All you'll need to provide is information about yourself and make sure your body is ready to help save lives.

Did you know?
Your first plasma donation can take between 2 and 2.5 hours. Every donation after will be closer to 90 minutes.

Gather your paperwork

Drink plenty of water

Get a good night's sleep

During

Our donor-focused plasma collection process makes your donation easy and comfortable.

Did you know?
Our centers offer free Wi-Fi for you to stream videos or listen to your favorite podcast.

Check in with our staff

Answer questions about your medical history

Complete your physical exam

Cozy up in our comfortable donation beds with your choice of entertainment

Rehydrate and receive your compensation

After

Before you leave, our well trained team will show you how to take care of yourself.

Did you know?
Remember to plan your second plasma donation. We can't use your first donation until your second one is complete due to our strict safety and quality standards.

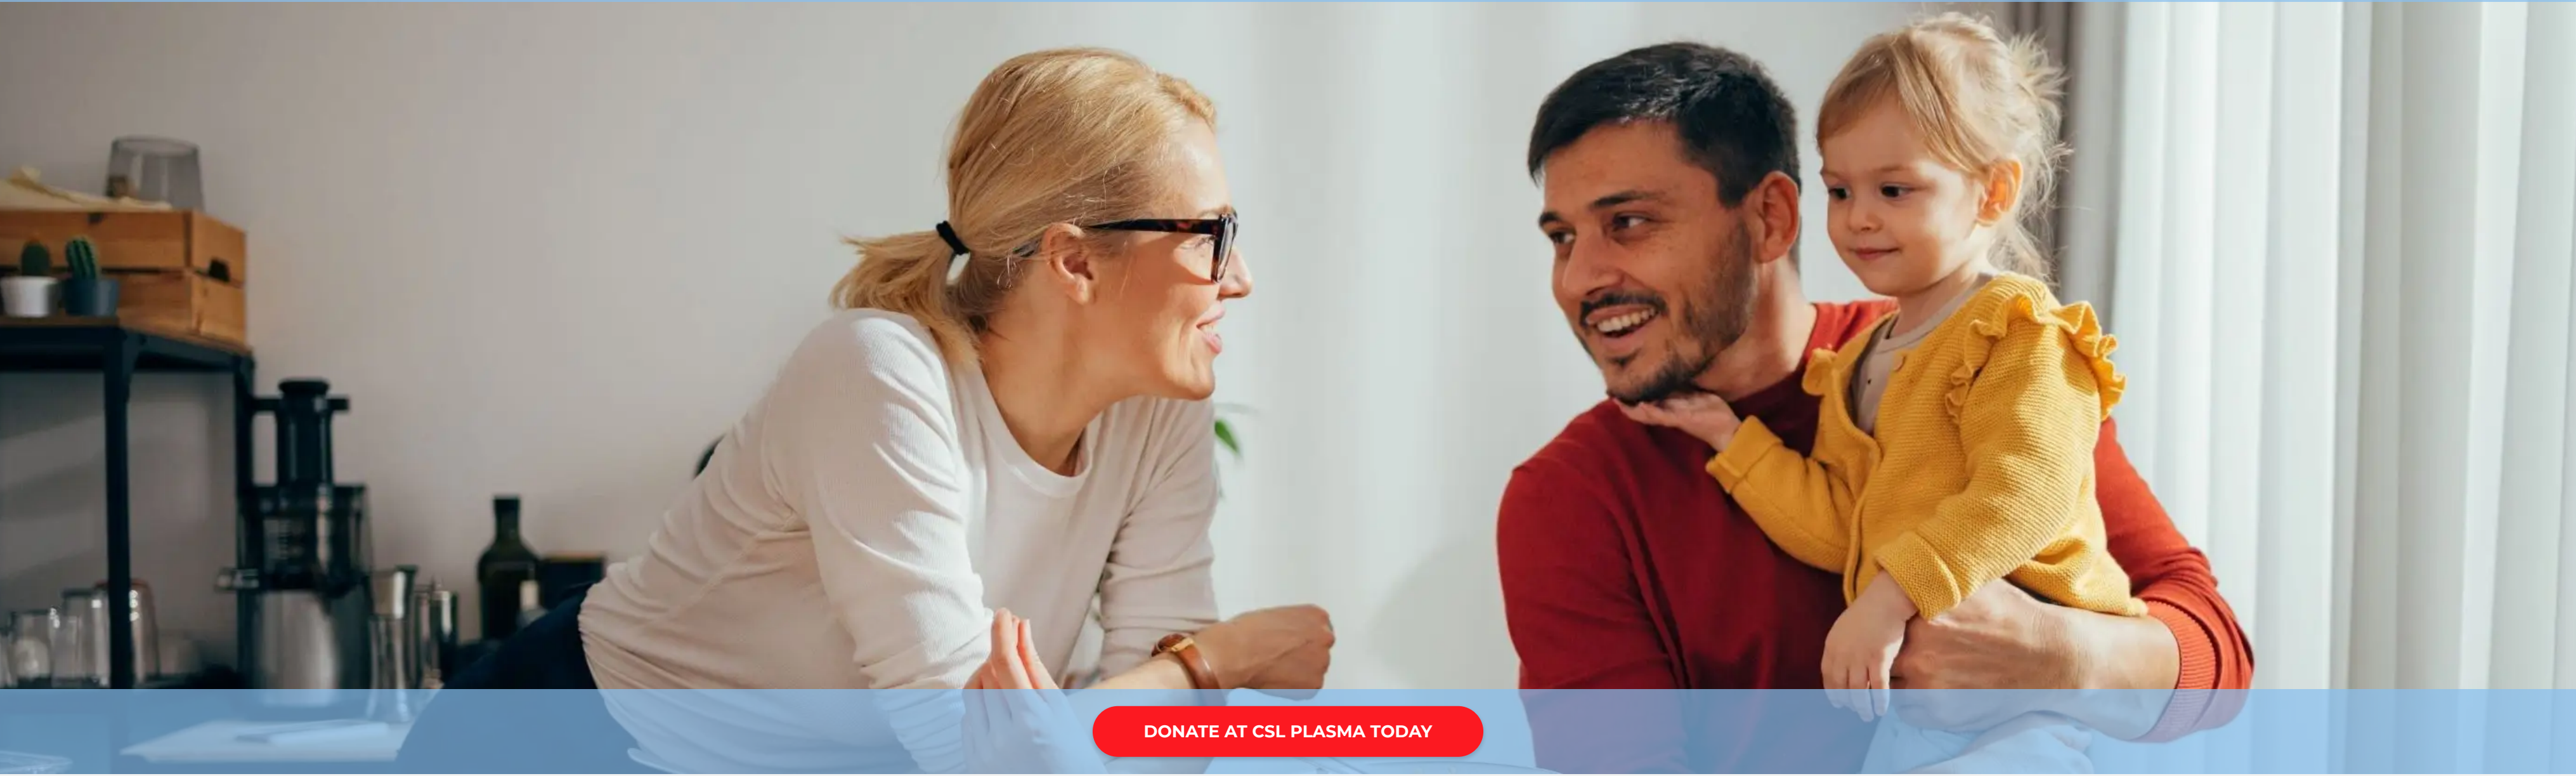

Drink plenty of water

Avoid caffeine, alcohol, and cigarettes

Keep your venipuncture site clean and dry

Set a reminder to return for your second donation

GIVE SOMEONE MORE TIME WITH THE ONES THEY LOVE.
